- Anger Management on the Job

TRI, a non-profit vocational training site, has been in existence for over 40 years. We provide assistance to New York State school districts in meeting federal and state mandates for transitional services provided to students 15-21 years of age. To enhance our successful Transition to Work program, TRI is now providing Travel Training and Functional Living Skills Programs for the summer months.

## Summer

Participate in our Travel Training and Independent living skills program. Our Program provides a variety of “hands on” community experiences.
